 Colonne (H.137 x P.37 cm)

Linee pulite, superficialmente armoniche, finiture innovative e ampia modularità. Si adatta elegantemente a una vasca scelta di top.

Clean lines, harmonious surfaces, innovative finishes and ample modularity. It elegantly adapts to a wide choice of tops.

Des lignes épurées, des surfaces harmonieuses, des finitions innovantes et une vaste modularité. Il s'adapte avec élégance à un large choix des plans.

## Soft

---

Design essenziale con stile e personalità per il bagno contemporaneo. La leggerezza delle linee verticali rendono SKYLINE dinamica, snella e sobria grazie anche alla presa maniglia integrata per tutta la lunghezza del frontale dello spessore di 19 mm, avvolto in polimerico di altissima qualità con effetto soft touch.

Essential design with style and personality for the contemporary bathroom. The lightness of the vertical lines make SKYLINE dynamic, slim and sober thanks also to the integrated handle grip for the entire length of the 19 mm thick front, wrapped in high quality polymer with soft touch effect.

Design essentiel avec style et personnalité pour la salle de bain contemporaine. La légèreté des lignes verticales rend SKYLINE dynamique, mince et sobre grâce également à la poignée intégrée sur toute la longueur de la façade de 19 mm d'épaisseur, enveloppée de polymère de haute qualité avec effet soft touch.

## Skyline

---

Semplice, immediata capace di soddisfare qualsiasi esigenza dimensionale per ogni tipo di ambiente e stile.

Simple, immediate able to satisfy any dimensional request for any type of environment and style

Simple, immédiat capable de satisfaire toute demande de dimension pour toute type d'environnement et de style.
